

Steel-Fab, Inc.

5.2.1 Quality Policy

Steel-Fab, Inc. recognizes that the disciplines of quality, health and safety, and environmental management, are an integral part of its management function. The Organization Quality policy calls for continuous improvement in its Quality management activities and business will adherence to three guiding principles:

Total Quality Management

1. Training and Development of experience through teamwork and management.
2. Quick Fulfillment of customer objectives.
3. Meticulously Working to drawings and customer specifications

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory and legislative responsibilities.

We have produced quality objectives which relate to this policy, and they can be found in document 42102 Quality Objectives.
